NOTE BY THE PRESIDENT OF THE SECURITY COUNCIL

Following consultations with the members of the Security Council, the President of the Council made the following statement, on behalf of the Council, at its 3132nd meeting, held on 30 October 1992, in connection with the Council's consideration of the item entitled "The situation in Bosnia and Herzegovina":

"The Security Council remains concerned by the continuing conflict in the Republic of Bosnia and Herzegovina with its resultant loss of life and material damage, which threaten international peace and security and by reports of egregious violations of international humanitarian law by whomsoever committed.

"The Security Council is appalled by the most recent reports that Serb militia in the Republic of Bosnia and Herzegovina are attacking civilians fleeing from the city of Jajce.

"The Council strongly condemns any such attacks which constitute grave violations of international humanitarian law, including the Geneva Conventions, and reaffirms that persons who commit or order the commission of grave breaches of these Conventions are individually responsible in respect of such breaches. The Council wishes that such violations be brought to the attention of the Commission of Experts mentioned in resolution 780 (1992).

"The Council demands that all such attacks cease immediately."
